FOREWORD

Discovery has no one definite meaning; it is many things to many people. . . excitement; unknown secrets revealed; achievement; satisfaction. To discovery there are many reactions. . . triumph; excitement; perhaps, even sorrow.

Through the use of photography, prose and poetry, the 1966 El Companile has attempted to capture the essence of discovery as revealed on our high school campus.

The open door of knowledge beckons with test tubes, T-squares and text books to inquiring minds. Light reveals discovery as preparation for growth and maturity.

El Companile Staff of 1966 hopes that this yearbook will not only interest but encourage each Tarbabe to find his or her own definition of discovery.

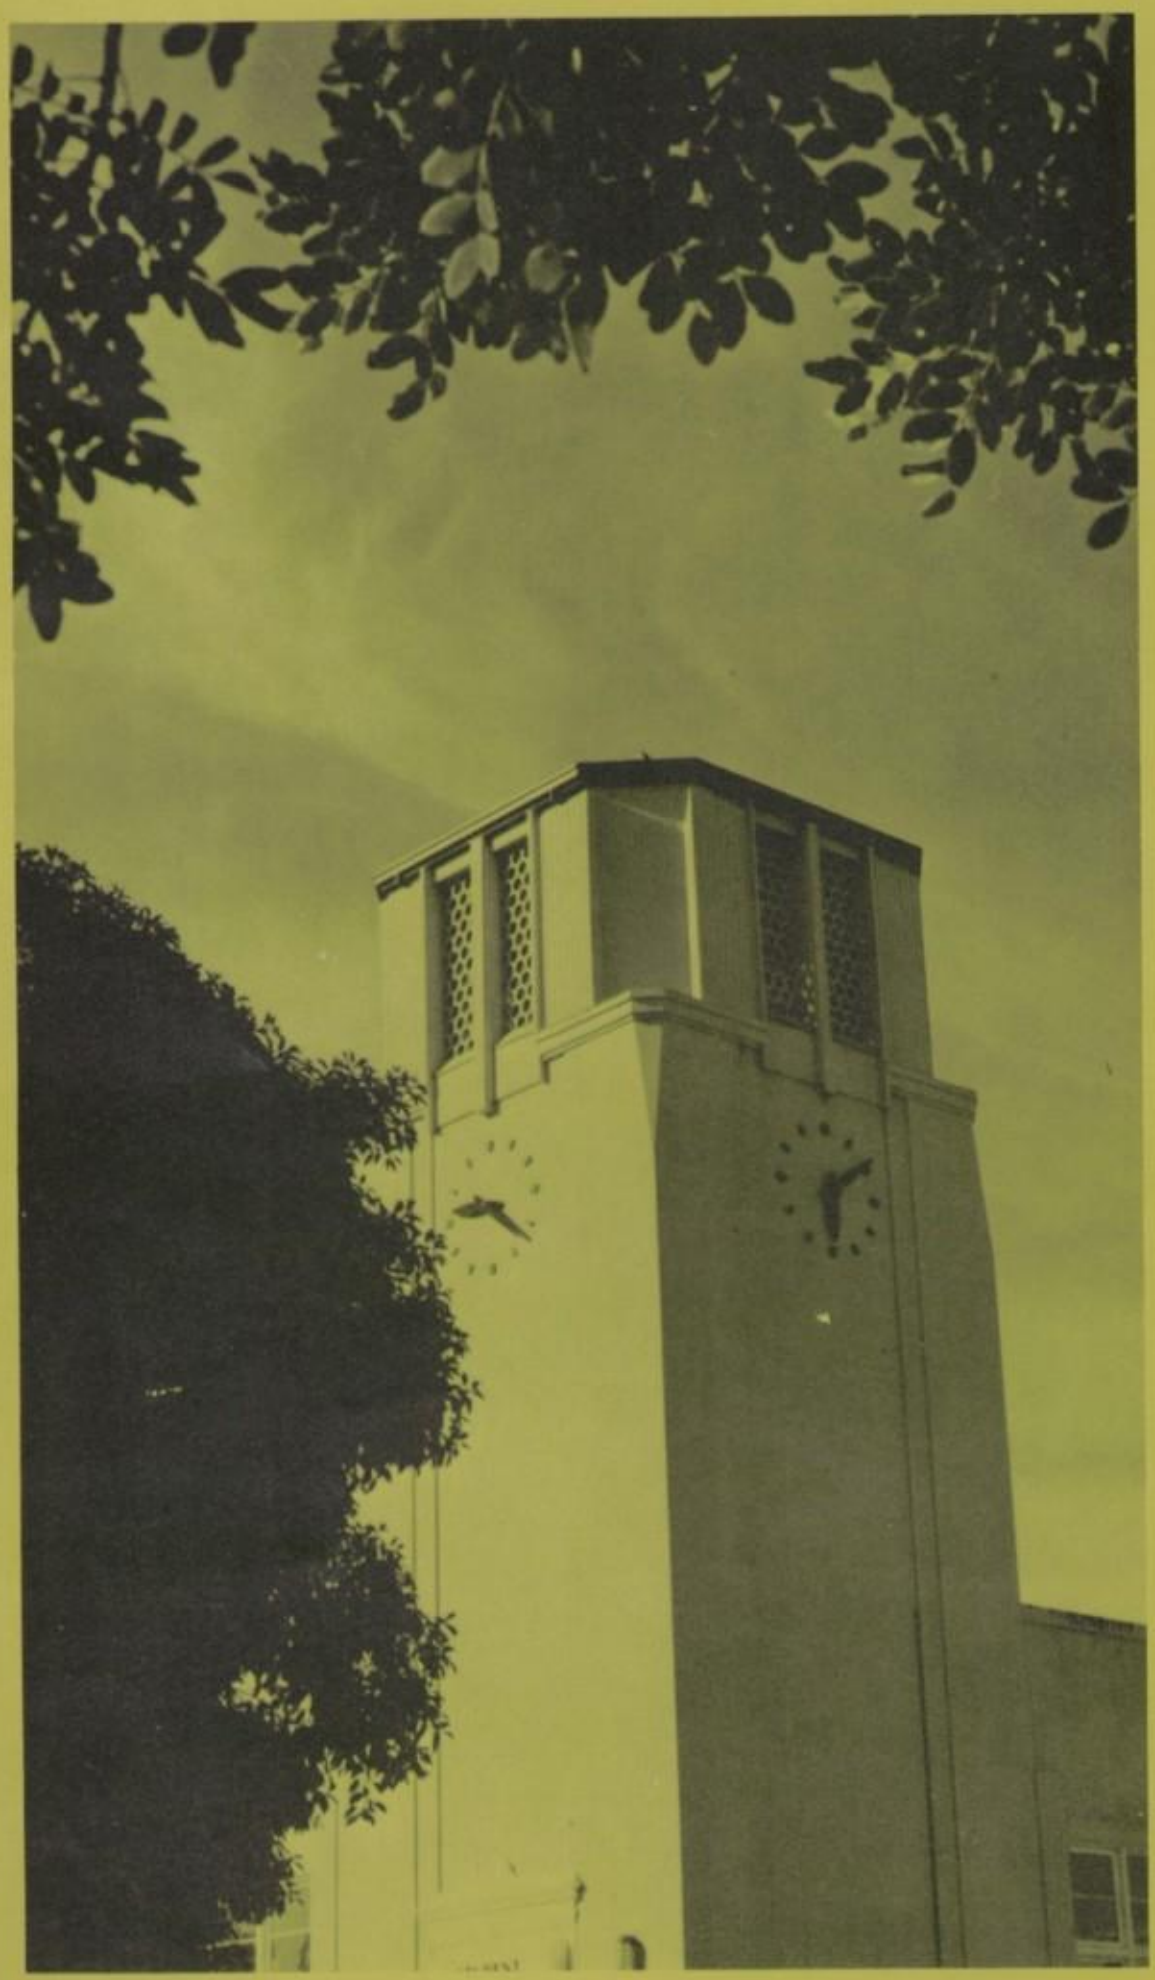
Alma Mater



All hail to thee,
Dear Compton High,
Our alma mater true;
May all thy sons,
Where ere they be,
Give thee all honor due.
The years may come,
The years may go,
But still we'll loyal be,
And when our high school
Days are o'er,
Be faithful unto thee.

Four languages—Latin, French, and Spanish—were offered by the language department, under the supervision of Mr. Gossman. The English department, headed by Mrs. Ruth Eagles, stressed correct and effective use of English grammar, both in speaking and writing. Although special emphasis was placed on grammar, the department endeavored to promote critical thinking, develop an appreciation of literature, expand speaking and writing vocabularies, and improve the students' spelling. Geared to national achievement, the language program was enhanced by instructors' use of recordings, and other teaching aids. With emphasis on vocabulary building and reading, students were encouraged to be able not only to read and write the language but to think it as well.

George Woods

Eager to answer, attentive students responded to Miss Jennings in French I Class.

Mrs. Bagwell was starting another day giving her junior newspaper staff needed instructions.

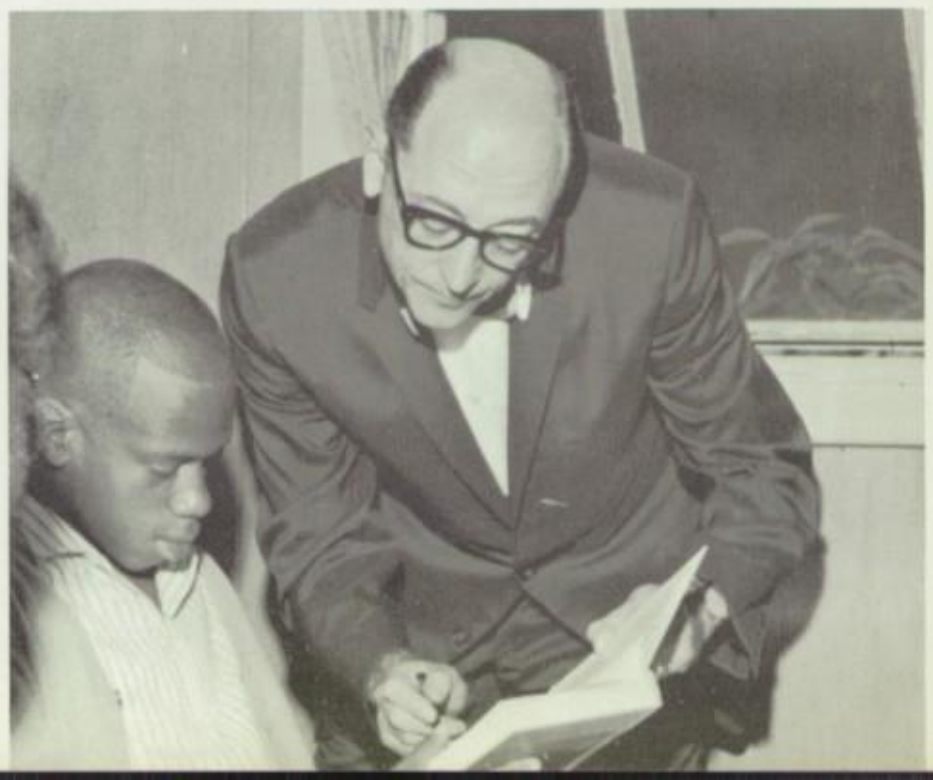
Carol Keys and Pat Edwards had trouble with homework in pronouncing the many Spanish terms that Mr. Gossman assigned the night before.

Richard Robinson is one of those students who took careful notes each day.

Waiting to respond was Maria Yepez, French I student.

A student was checking out and James aided Mrs. Eagles in the clearance procedures.

Unaware of the correct meaning of certain grammatical usuage, Elton English had this pointed out by Mr. Eisenmayer.



SOCIAL SCIENCE

Francis Dilworth

To teach students to understand themselves and others and to become better students were the main objectives of the Social Studies Department, under the guidance of Mr. Francis Dilworth head of the department. In obtaining the knowledge necessary for successful completion of the courses in World Cultures, U.S. History, and Government, students were drawn closer to the fact that each individual is an important ciizen of this country and of the world.

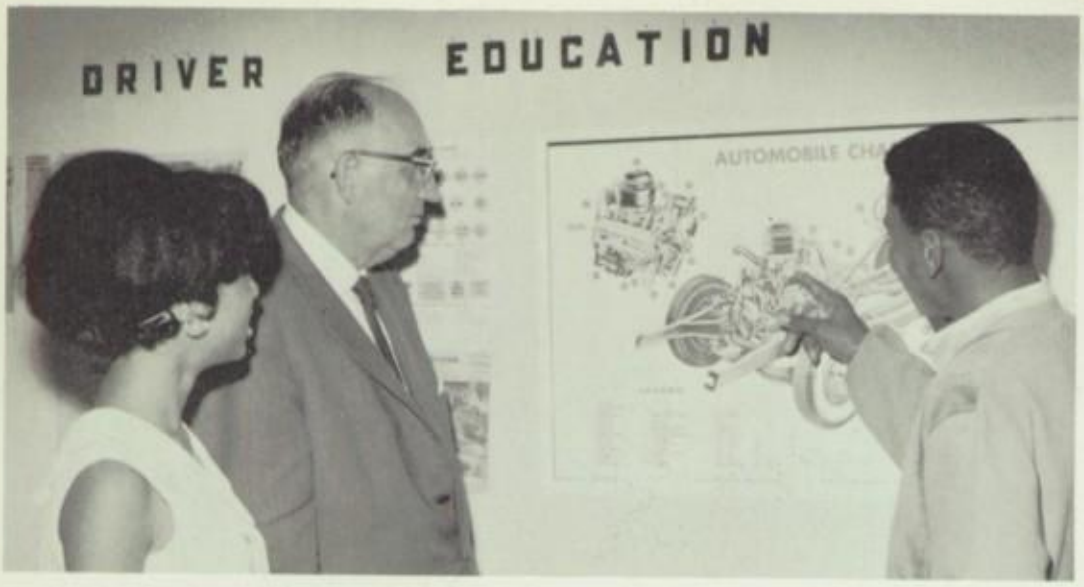
NEW COURSES STIMULATED INTEREST

Jacomina Marsman
William Rouse

In deep concentration Emmett Bryant, George Carr, and Jerry Givens paid close attention during a morning lecture in their government class.

During a Senior assembly executive members of four sections of the U.S. Armed Forces presented special information for the further use of interested students.



Informing future drivers of their obligation is Mr. Dilworth. In World Culture classes driver education and driver training is regarded as a vital subject.

Many students find History rewarding. Assuring us of this, in one of her informative lectures, was Miss Dorsey in one of her U.S. History classes.

Gaining a better understanding of American ideals was a student in Mr. Hamilton's U.S. history class. Mr. Hamilton also taught Negro History. This year was the first time this course was offered to Compton High's students.

As you can see the seven minute passing period is very beneficial to everyone, as these girls make last minute trips to their locker.

There were special assignments needed to pass these required subjects. In world cultures, one requirement was to study drivers education. In government the seniors studied the fundamental framework of our governmental system in our community.

In government Miss Stephanian points to Janet Roberson and Frank Harris some of the major cities.

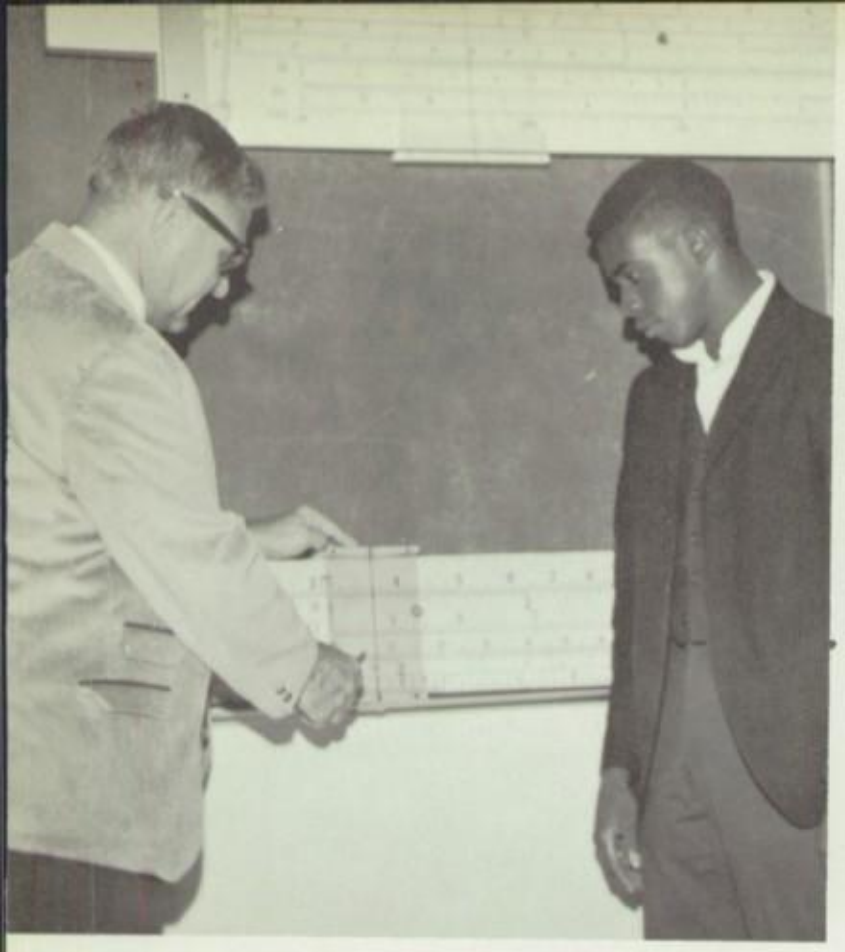
Miss E. Hanks was instructing JoAnn Felton and Pete Lopez on problems involving formulas in the most involving subject — Geometry.

Emma Jean Essex and Billy Thomas are inclined to wonder what they will observe under the microscope.

With challenging courses in physical science, general science, chemistry, physics and biology, the science department prepared students to approach problems of all kinds in a logical and systematic manner. Laboratory sessions were particularly popular with science students since such diverse experiments as glass blowing, frog disection, and microscopic observations were offered. Mr. Clark served ably as chairman of the science department and Mr. Olson as mathematics department chairman.



Mr. Karl Olson is pointing out to Melvin Smith how to use the slide rule correctly, a very useful skill.

Mrs. Comanan, one of Compton's biology instructors, explains the respiratory system to two members of her class, Lula Moore and Larry Turner.

"Now do you understand?" seemed to be the remarks of Mr. Sutton after explaining one of his geometry problems to a puzzled student.

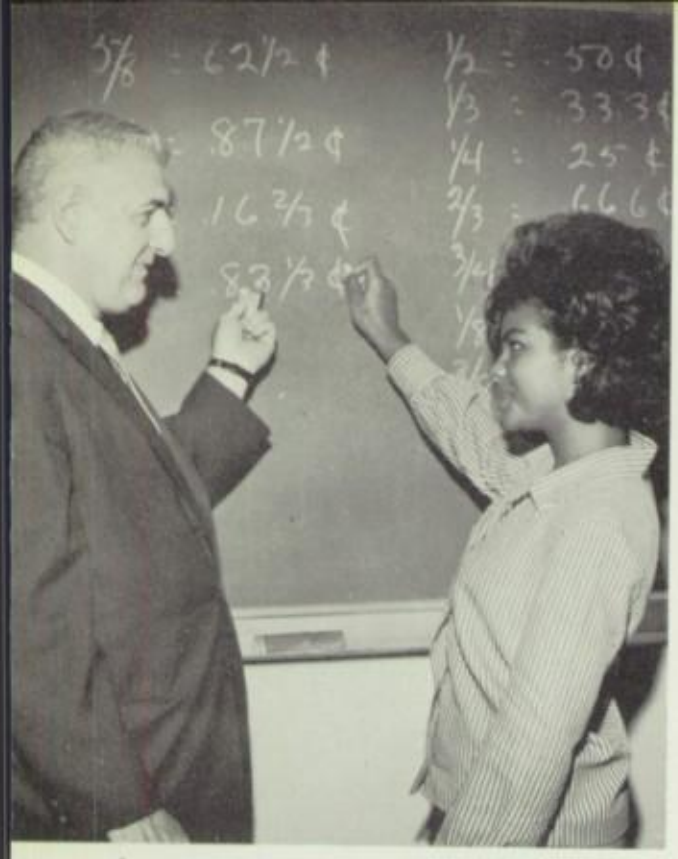
"Business is best discussed over a cup of coffee," agreed Mrs. Gibson and Mrs. Concepcion.

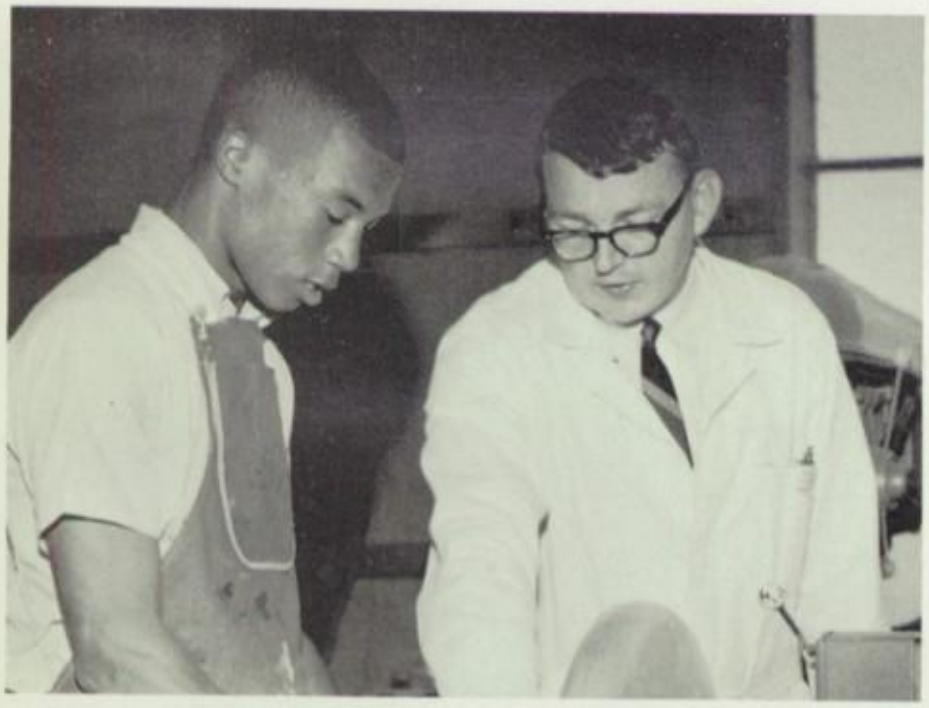
The art of calculation, using an adding machine, was one of the many skills acquired by students participating in Mr. Hicks class in Business Machines.

SKILLS PRODUCED OPPORTUNITY



With math included as one of the many facets of general business, Mr. Armstrong gave advice to student Della Andrews as she worked with decimal fractions.

Hazel Jackson and Jerry Givens, two electricity shop students, are shown here connecting wires with an electric soldering iron.



The importance of each piece of wood having a true edge is the point that Mr. Ronald Guyer is emphasizing to student John Turner.

To familiarize students with the knowledge needed for a successful career in business, the Business Education Department, under the supervision of Mrs. Lois Atherton, offered basic and advanced courses in a variety of subjects. Those majoring in commercial subjects took bookkeeping, business law, general business, office practice, shorthand, typing and business machines. Non-majors were able to take any of these courses as electives. Stressing accuracy, promptness, dependability, and friendliness, the department acquainted students with all aspects and conditions of a commercial career.

Engrossed in the courses offered by the Industrial Arts Department, headed by Mr. Dalh Hatch, were students interested in many opportunities. Designated subjects were a variety of shops consisting of wood, auto, print, electricity, and metal. Drafting I, II III, were offered for boys and girls.

Feeding material into the offset press, Douglas Meyers does his daily job.

James Cox, drafting III student, was being shown by Mr. Valdry, teacher of drafting II and III, how the compass can be used in preparation of a drawing.

Various sports were offered to help build and maintain physical fitness. Under the leadership of Miss Ina Silverman, department chairman, many sports such as badminton, archery, swimming, basketball, softball, bowling, hockey, and tennis were offered to the girls. Project READ (Reading for Experience Achievement Development) is a comprehensive reading project planned with a view to help motivate students to acquire effective reading and study skills. HELP (Helping to Educate for Life's Potential) after-school tutorial study centers were opened the second month of school to provide adequate facilities for effective out-of-class study and capable assistance in various study areas. STAY (Scho'astic and Technical Advantage for Youth) is designed to identify potential drop-outs and to provide special classes utilizing individual and group work methods to further social adjustment and rehabilitation.

With the assistance of Mr. Adams the department grew even more.

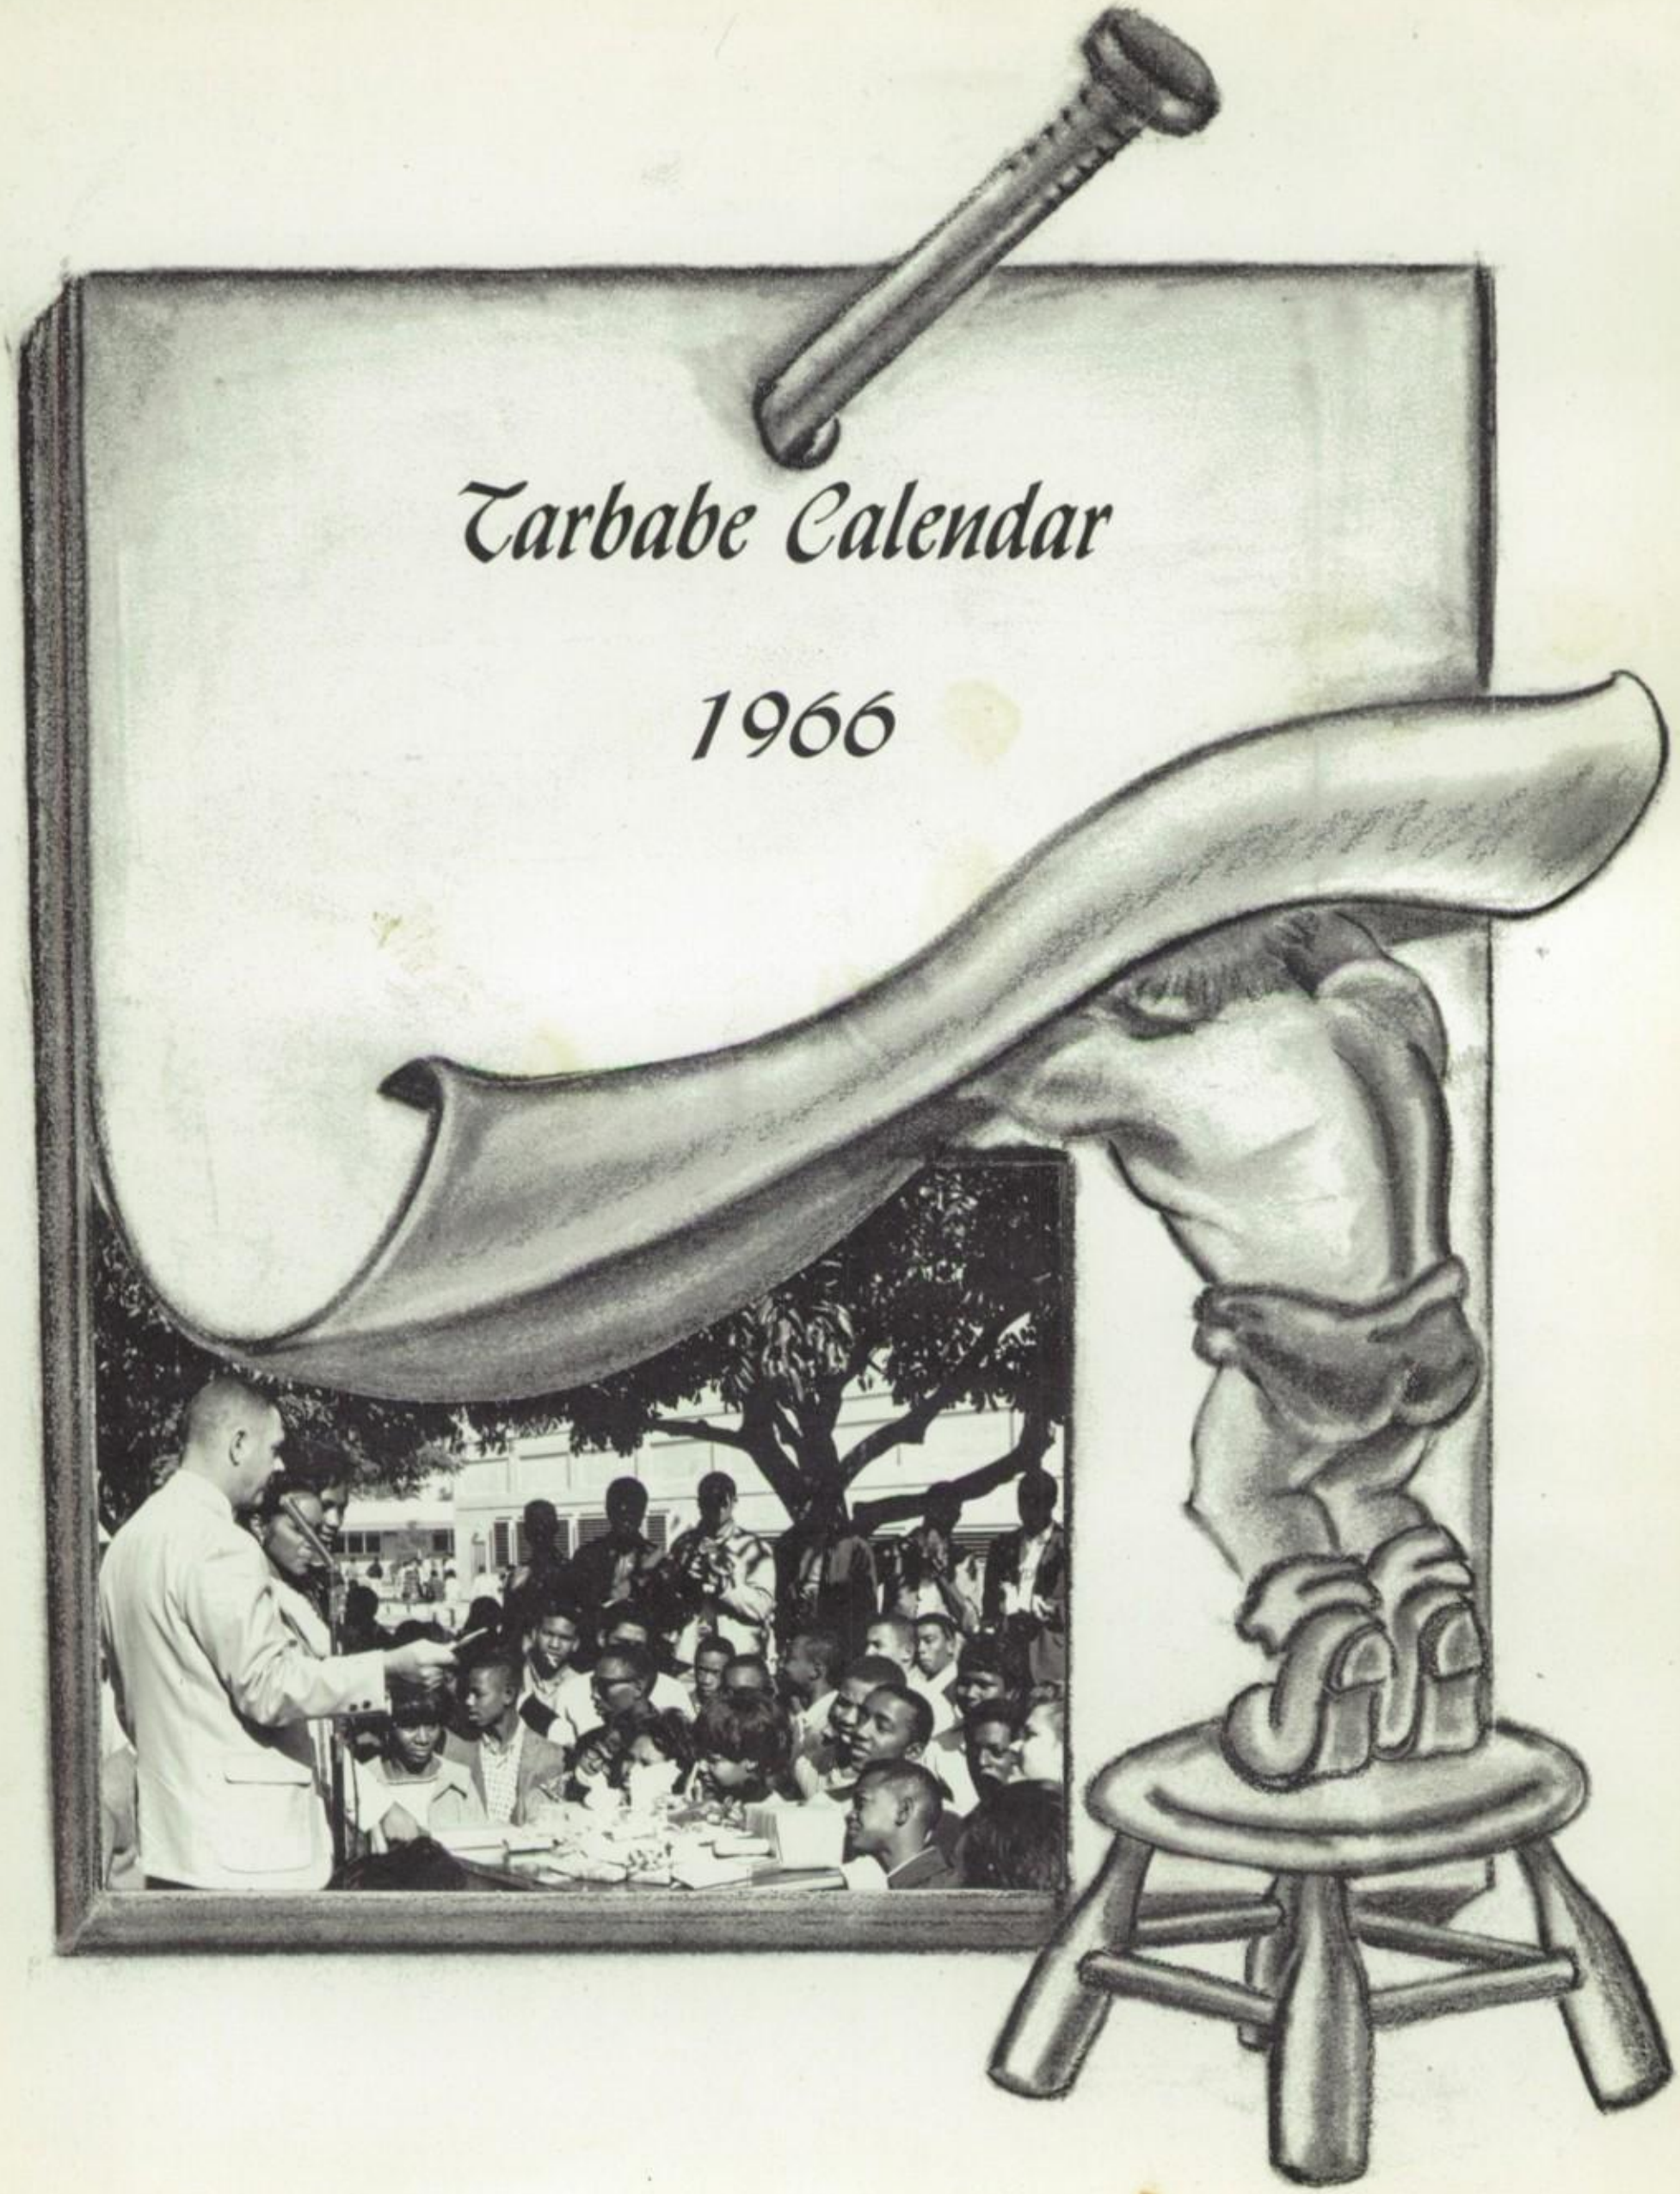
1966



YEAR OF

Compton's school year was full of many profitable as well as enjoyable activities. One of the first events was a Welcome Hop given by the Boys' Federation in the school cafeteria.

SEPTEMBER

OCTOBER

In October, Compton High School was selected as one of the high schools to receive the Moral Rearmament Singers as special guests. The theme throughout their tour was "Sing Out '65."

NOVEMBER

"What would you do if your boyfriend was a dancer?" asked Master of Ceremonies, Lester Edwards to Homecoming Queen Candidate, Genevieve Canchola. Assisting with the program was fall semester student body president, Neil Chan. The traditional ceremonies of Homecoming were one of the most important highlights of the year.

DECEMBER

Christmas dancing and songs were presented in the annual Christmas Vespers. The program spotlighted the modern dance group and choral singers as they offered "Christmas in Mexico".

DISCOVERY

" . . . Do I hear 25c" was the call of principal, Mr. Moore, who was acting as auctioneer at the annual Girls' League fund raising auction for the March of Dimes.

JANUARY

FEBRUARY

"Can't get away from me until you buy your bag of Candy Kisses" warned Gayle Matlock to Steve McCall and Melvin Fountain. Also taking part in the annual school-candy sale was Latricia Manuel and prospective buyers Dwight Evans and Jacob Colbert.

MARCH

St. Patricks Day Pickle Sale sponsored by the senior service organization, Chimettes-Squires, was a profitable activity. The customers for the day were pleased by the bargain even if it took some persuasive sales talk to secure a buy. The pickle sale was only one of the many money-making ideas of the Chimettes-Squires throughout the school year.

APRIL

Sports nights in April seemed to reach its peak of excitement when the basketball teams battled for that tie-breaking point.

Some of the onlookers at the homecoming Pep Rally were members of the Varsity team and the court.

Honoring the "Homecoming Queen and her court of 1931" were Patricia Gray, Veronica Ceron, Christina Gonzales and Regina Spicer.

Christina Gonzales, a 1931 flapper, participated in a skit for the "royal court."

EXCITEMENT AND SURPRISE PREVAILED AT HOMECOMING

Mr. Rosenthal, coordinator of activities, offered his congratulations to the newly announced queen.

Mayor Chester Crain arrived with a police escort to announce the 1966 Homecoming queen.

"Queen Nellie Chan of 1931" was proudly escorted by "Sherman Jempson."

"Is it really true?" exclaimed Reichel.

"Oh, Carolyn, I just can't believe it!"

"And now I shall collect my bonus," said Mr. Moore.

Leading the famed Comptonettes through one of their routines in a football half-time show was Shirleen Dooley, extreme right, acting as temporary co-captain.

HIGH STEPPING COMPTONETTES

The Comptonettes, under the leadership of Captain Rubazene Cook and Co-Captain Mary Saldana, helped to booster "the good old Tarbabe spirit," by exemplifying poise and gracefulness during both football and basketball half-time shows, pep assemblies and various other special assemblies. These girls spent many extra hours after school practicing and creating unique routines for the improvement of Tarbabe entertainment. Their well known and experienced instructor was Miss Elaine Hanks.

Lovely Rubazene Cook was selected to guide the 1965-66 Drill Team because of her personality and specialized abilities.

Assisting Rubazene was Co-Captain Mary Saldana. Mary contributed many original ideas for routines.

Keeping in perfect step, they marched pass the judges' stand at the Annual Christmas Parade of Compton.

"Be sure to remember this step", Co-captain Mary Saldana seemed to be reminding the girls as they stood in line.

"Well, this is the end of another little duty," was the expression on the face of one of the girls of the Comptonettes.

Compton Marching Band Members were: *Seated*: Drum Majorette: Doris Williams, G. Smith, J. McClelland, G. Williford, S. Matlock, W. Allen, L. Hathorn, F. Rothenhausler, J. Singleton, E. Scott, R. Lambert, F. Turman, D. Pace, D. Dedman, M. Thompson, D. Ross, W. Earvin, A. Hunter, E. Payne, T. Lockett. *Row 3:* J. Tracy, P. Gray, C Wilton, E. Reed, Orozco, G. Lewis, L. Webb, E. Johnson, L. PRACTICE, PERFORMANCES PAID OFF

Performing together for a football game half-time show were the marching band and the Comptonettes. This was just one of the many well planned shows that the band and drill team displayed before a crowd of spectators.

A new and very exciting addition to the band was Hector Bonner, outstanding baton twirler.

COMPTON'S MARCHING BAND

The high-stepping drills that were always executed with precision by the well known Compton High School Marching Band were frequently seen by masses of viewers. Under the direction of Mr. Thomas, the band practiced for many long hours before and after school, which paid off in the highly rated awards bestowed upon them for their first rank abilities. Their fellow Tarbabes of the Big "C" Campus are very proud of their band and also of the honor that the band brings with every performance.

Caught directing Compton's "number one" marching band was Mr. Louis Thomas, a new instructor on campus.

Doris Williams, Tarbabe Drum Majorette, led many musical pieces as well as field routines.

Always ready to perform when called upon to do so was Thurman Lockett, another new addition to the pep units.

Taking time to pose was Mr. Thomas, showing a sign of satisfaction and pride for his most deserving band.

Steve McCall always displayed a number of new tactics with his fast twirling baton.

FLAGS

To the left are Compton High's Flag Girls. From left to right they are Kathryn Johnson, Juanita Valdemar, Valeria Moreland, Rhonda Martin and Gloria Ramos. The Tarbabes have always held a special pride in these girls because of the skillful manner in which they performed with their blue and white flags Becoming a flag girl was no easy chore. It took long hours of practice to achieve the skill and deftness which these girls displayed at various school functions.

SONGS

The bouncy spirit of Compton High's song girls has always been a big help in leading our boys to victory. From left to right are Linda Wharton, Yolanda Rabago, Beverly DeBise, Cheryl Reuter and Yolanda Franco. These five girls could always be seen prancing in accompaniment to the band at all of the pep assemblies, football and basketball games. Miss Hanks, the renowned director of the drill team and other pep units takes a special pride in these girls.

Kathy Johnson and Steve McCall are pictured admiring each other's uniform at first football game.

Steve McCall danced through one more routine to add that ingredient of "soul" to the half-time show.

THEIR TALENTS

Steven McCall captivated the attention of many half-time, pep assembly, and parade viewers by his dynamic dexterity in twirling a baton.

MAJORETTES

This lovely trio could always be seen leading Compton's Marching Band in parades, games and assemblies. The names of these high stepping baton twirlers are from left to right: Pricilla Merrit, Yoder McClinton, and Martha Wickers. These three girls were often accompanied by Joyce Anderson who is not pictured here. The most important duty of the majorettes is to give performances of precisioned skill that will help to maintain the high standards set by past Tarbabe majorettes. These girls certainly deserved credit for doing such a good job.

SPIRITED CHEERLEADERS LED

The attached cheering units, Varsity and Junior Varsity, were headed by 1965-66 Yell Queen, Patricia Gray. Pat was awarded a trophy for being the "Best Spirited" by the Adult Booster Club. It is obvious why Patricia was given the honor of being elected Yell Queen of Compton High School. To aid as an inspiration to Pat were the remaining Varsity members and those of the Junior Varsity squad. Each cheerleader had to play a very important individual role in leading Tarbabe spirit through all of the many sports activities for the entire school year. Vibrant personalities have proved them successful.

Staff members worked hard to compile their materials, spending much time and effort to discover the secrets of composing a yearbook of quality. This objective was successfully achieved under the guidance of adviser, Mrs. Hoffmann, and editor-in-chief, Valerie Moreland. Valerie shared the well-rounded life of a very active senior. As a flag girl and member of Chimettes and Squires, she maintained one of the highest grade averages in her class. After graduation, she plans to major in journalism.

Advertising Manager, Christina Gonzales, was kept occupied soliciting "ads" for the yearbook by telephone as well as by personal contacts.

In the center, Shirleen Dooley, photography editor, was reminding staff photographer Deborah Pickens to take care of a scheduled picture assignment.

"Keeping consistent margins throughout each section is essential in yearbook design," said Mrs. Hoffmann to staff members Jean Dasher and Regina Spicer.

Valerie Moreland, Editor-in-Chief, was explaining her ideas for the cover design to JoAnn Steward and Miriam Snider.

During the night of the prom, couples visited the pool-side patio.

1966 PROM THEME BIG SUCCESS

Selected this year as the place for the Junior-Senior Prom was the La-Fayette Hotel. Attended by Compton High Students and guests, they were entertained by Gerald Wilson and his band.

At right, James Dunn and Pam Williams escaped the crowd to talk in the garden.

"Flambeau Elegance"

"It has to be a white one," explains Donald Landry, as florist tried to help him choose an orchid for his important date at the prom.

Having their share of fun at Newport Dunes were Melvin Fountain, Beverly De Bise, and Regina Spicer. Keeping cool and dry was Joseph Gonzales.

"Introducing Compton Senior High's 1966 Bathing Beauty, Glendora Taylor," announced Neil Chan, as he and Glenn Taylor presented a small beauty contest.

SENIOR DAY . . . "DUNES" DAY

Everyone joined in on the fun of roasting marshmallows and hot dogs over an open pit. The Senior Funday at Newport Dunes is always an event looked forward to by all seniors on the "Big C Campus" because it is considered a real vacation from the regular school day routine. Not only do the seniors have the opportunity to enjoy Funday, but senior counselors and teachers as well.

As these seniors were battling over the volleyball net, others were playing basketball, swimming, or eating. There was so much to do, no one knew just where to start.

"Since no one is paying me any attention, I'll just sample this bowl of potato salad." This was the shrewd plan of senior, Mary Harris.

Girls are elected as representatives in their government classes each semester, and it is their job to make rules on appropriate dress for girls. The Girls' League is also active in other areas, such as sponsoring dances, cake sales, and canned food drives.

Le Circle de France, which translated means the French Circle, is one of Compton High's newer clubs. It has proven to be a success, and is one of the more popular clubs on the big "C" campus. Students are not required to be able to speak French or to have it as one of their school subjects; all that is needed is an interest in France and its people. Instead of concentrating on the grammatical aspect of the language, they concentrate on the French way of life, its history, art, music, famous landmarks, and of course, a little about the food and fashions that are known to have originated there.

He keeps the students in the club interested by showing them various slides of Mexico and Spain, discussing Spanish culture and history with them, and taking them on field trips to Spanish ranches and plays. Once a year, the Spanish Club has a pot-luck supper, where students have the opportunity to share various types of Spanish food.

This organization is for students who are interested in improving their platform manner. They go to several speech tournaments where they have the opportunity to witness and take part in debates, prepared and spontaneous speeches.

SCIENCE

Mr. Miller, with the help of Mr. Clark, sponsored the Science Club. Students in the club are generally those who wish to further their studies in science later on in college. In this club they can receive special help in various fields of science. They do research projects and take field trips to several science exhibits. The special requirements to join include being enrolled or having been enrolled in some type of a science class, either biology, chemistry, or popular science. This club is for students who are willing to do extra work and take extra time preparing various subjects, reports, and experiments.

LIBRARY SYMPOSIUM

The Library Symposium is a new club on the Compton High campus. It was started last year by Mrs. Jewell, who had just taken the position as librarian. The main purpose of this organization is to familiarize students with some of the great classics and novels in our library today. The only requirement for this club is an interest in reading good books. This club is growing steadily as it becomes more popular.

SOPHA CHI

Sopha Chi is a club which designates that only those girls who meet the requirements may join. It is for tenth grade girls with a "B" grade average and good citizenship. This is a service organization with the objective of not only helping the school, but of helping new sophomore girls feel welcome.

The Math Club of Compton High is a different and challenging type of club. The members of this club have the opportunity to learn modern methods of algebra, geometry, and trigonometry. This club is helpful to students interested in majoring in mathematics or engineering. It is also useful for those who are just interested in improving their everyday use of math.

SCRIBES

The Scribes is a very old organization on the Compton High campus. It is only for those students who work on the school newspaper, the yearbook staff, and the printers of the production crew. These boys are responsible for the printing of the school's weekly newspaper. The Scribes are very busy on the big "C" campus. One of their projects is planning the installation of new student body officers every semester. They plan the assembly and the style in which it is carried out. They are also responsible for the student-faculty basketball game which is held annually at Compton High. The profits of this game go to the March of Dimes. The Scribes sponsored the first game years ago and have continued doing so since that time. Mrs. Viola Bagwell, sponsor of the Chimes newspaper, is the sponsor of the Scribes.

Miss Silverman, sponsor of the Modern Dance Club, was very proud of her girls this year. Although the group was small, they were very busy. They participated in the Christmas and Spring programs at school. They also did extra work other than that for the school, performing on various occasions for community affairs. These girls are required to have had at least one year of modern dancing, although many of these girls have studied for two or three years.

I.R.C.

The International Relations Club is sponsored by Mrs. B. Jewell, who also sponsors the Library Symposium. The I.R.C. was organized last year with the objective of teaching students how to better their understanding of the people of other nations. The members of this club discuss the different countries. Some of them are pen-pals with teenagers from Canada, Spain, Mexico, England, France, and many other countries. They discuss these letters at their meetings. There are no requirements needed for membership in this organization.

HOMETTES

The Homettes, co-sponsored by Mrs. Miller and Mrs. Concepcion, is a club for girls interested in home economics. These girls are active in raising money for several charities. They bake cakes and sew aprons in their spare time, then sell them at school. Since it is also a service organization, they make and serve refreshments at various school functions. At least one year of home economics is required to join.

HOMETTES: Row 1—G. Botts, J. Luna, S. Rentie, A. Jones. *Row 2*—S. Hampton, G. Smith, B. Fullilove, O. Lucas, G. Jackson.

LETTERMEN

The Lettermen of Compton High can be very proud to be in their organization. In order to be a member, a boy has to have received a letter in any of our sports. These boys can always be counted on to sponsor a worthy school activity. They are responsible for many of Compton's dances and candy sales which help to raise money for various school causes and for their own club treasury.

LETTERMEN: Row 1—T. McKinney, D. Mode, D. Landry, R. Manuel, L. Queen. *Row 2*—M. Peters, T. Gaines, R. Milton, V. Landreaux, B. Polion, J. Lewis, C. Moore, D. Carolina, L. Mobley, M. Thompson, J. BUSINESS CLUB

The Business Club of Compton High is one of the more active and popular clubs on campus. Sponsored by Mrs. Outlaw, the club has taken several field trips to colleges to see the facilities available for those students who plan a business major in college. There are no special requirements needed to join the business club, which is open to both boys and girls; it is usually advised that you have or have had one of the various business courses offered, because then students will find the club more interesting.

PEP CLUB

At almost every football or basketball game held at Compton High, a group of students can be seen cheering extra loudly for the Tarbabe team. The students will usually be dressed in white shirts or blouses with dark blue skirts or pants. This is the Compton Senior High Pep Club. They have been helpful in cheering the boys to victory. Their objective is to assure the teams that they are backing them up all the way. For this reason they make it a point to attend as many away-from-home games as possible. This club is open to both boys and girls who have purchased their student activity cards. As can be seen here, this organization is extremely large, which is pleasing to both Mr. McGee and Mr. Valdry, co-sponsors of this club. This club requires no special abilities or requirements except to have spirit and a willingness to come to games and cheer our teams.

LETTERMAN BASKETBALL DANCE

The Lettermen gave several dances after basketball and football games. Everyone was glad to come and get a chance to celebrate victories. In cases of defeat, the basketball and football players found a great deal of consolation in going to these dances.

Continuing the tradition of giving recognition to these students, which was started last year by Principal Edward C. Moore, was the Principal's Honor Roll. The honor roll is divided into two sections, Commendable and Outstanding scholars. The title of Commendable scholar was given to those students with a grade point average 3.0 to 3.49. Reischel Winbush

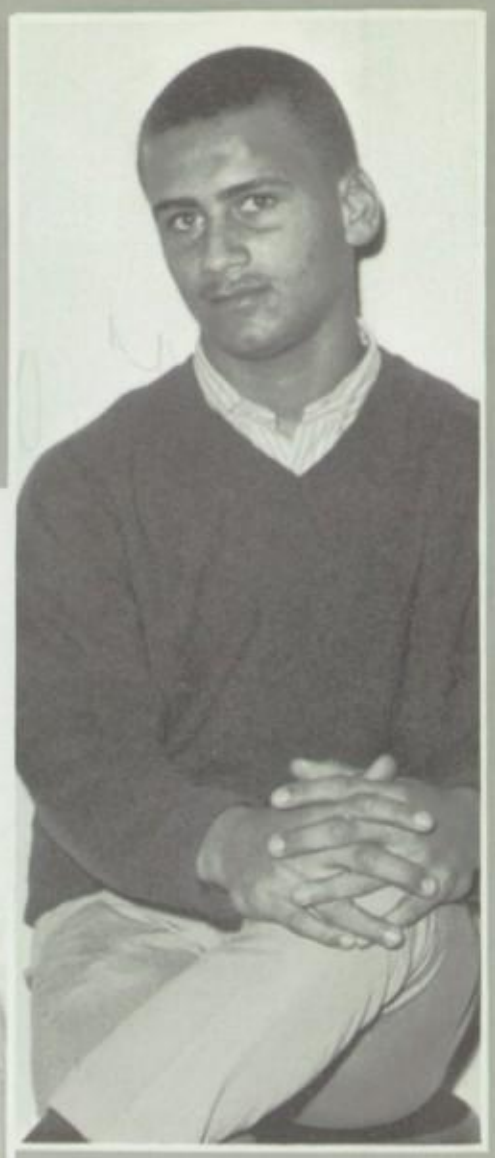
Lester Edwards, outstanding throughout his high school years, was elected as fall semester senior class president. During his term of office he presided over senior council meetings and planned senior activities.



Assisting the president in planning senior activities and acting in his place during absence, was fall semester vice-president, *Shirley McDaniel.* Aside from being very active in school activities she remained on the Principals' Honor Roll.

A time consuming job was performed by *Valerie Moreland,* first semester senior class secretary. Her duties were to keep accurate minutes of all meetings and maintain correspondence with other schools.

Serving eagerly as senior class council treasurer first semester was *Joyce Easley.* Keeping records of all expenditures and making regular reports were part of her very important job.

VALIANT LEADERS OF THE

Glenn Taylor was installed as second-semester senior class president at the annual installation assembly. He was responsible for presiding over senior class council meetings and planning senior activities for the spring semester.

Assisting the president with his many duties was *Donna Harris,* senior class vice-president, second semester. During her term of office, Donna also found time for extra-curricular activities.

Sondra Carter was elected as senior class secretary for the spring semester. Keeping minutes and making regular reports were Sondra's duties, which she performed diligently.

Elected to the office of treasurer of the senior class for the spring semester was *Veronica Burks.* Her duties, which she performed eagerly, included assisting the class sponsors with managing funds and keeping a record of the treasury.

IMPERIAL CLASS OF '66

Beverly DeBise was deservingly named Miss Personality of 1966. Known by her friends as "Bug," she was very active in extra-curricular activities. In the tenth grade, she was sophomore class treasurer; in the eleventh grade she was a Comptonette and Girls' League secretary. As a senior, she was Associated Student Body Vice-president, Chimette, and song girl. One of her greatest accomplishments was being chosen as a homecoming princess. She also maintained a grade point average of 3.5.

Progressive but conservative, best describes Frank Harris, Mr. Personality of 1966. Besides being active in various organizations, he was vice-president of the fall semester and treasurer second semester, in his junior year. He was Associate Student Body Vice-president second semester, in his senior year. He also showed his versatility by his membership in the Compton Chanteurs. In spite of all his activities he still maintained a B average.

Paul Jones

President of the Sophomore class council for the first semester was Paul Jones. A very attentive officer during his term of office, he and the other officers were responsible for the Sophomore dance to raise money for the traditional Christmas tree. To build up their treasury, the council participated in the school candy sale. Vice-President of the council was Mary Hawkins. Mary proved to be of great service to the council too; while in the absence of the president she took over and continued with council projects. She also appointed all committees.

SKILL DISPLAYED BY GRIDDERS

Since starting here at Compton two years ago as "B" coach, *Mr. Manque Winters* has advanced to head coach position by his outstanding coaching talent and strong desire to win. In his first year as head coach he piloted the team toward dedication, discovery and victory.

Comprising a four win and five loss season our Compton Tarbabe gridders gave it all they had and left their mark on every opponent. Starting the season with a booming 18-0 victory over Santiago, the "Babes" were in high gear and were in even higher gear with a 6-0 edge over St. Anthony's before being dropped by C.I.F. seventh-ranked Servite. Rounding out the practice season by serving a 30-0 blank, wrote defeat for Arroyo Grande. Coming into Coast League with a 3-1 record, the men of Compton could only find the range for blasting out the always important homecoming game against once defeated Warren 24-2. Although winning against Warren the team played in what many termed as their best game against C.I.F. powerhouse Centennial, bowing 6-4 in a contest in which victory could have walked both ways. As a result of their brilliant efforts, Willie Gray, Ken Smith, Lynwood Queen, Dave Mode and Aaron Bryant were named to All-Coast League teams. The boys discovered what it feels to come out a winner and what it means to fall to the shadows of defeat.

J.V.'S WERE READY

Compton's Junior Varsity Football Team was led by Coach Mike Dimitro. J.V.'s, finding the road rough, could only win one in seven tries. According to Coach Dimitro the greatest lack was inexperience of players. Despite the face of defeat they learned new lessons and became skilled in their positions. They played hard and clean football and kept spirit high throughout the season.

"B" SOARED HIGH

This year under new coach Mr. Alan King, our Compton B pigskinners discovered new heights on the field and off. Practice and hard work was bottled up and thrown at each oncoming game; victory and pride was the result. The season started off with a 30-6 win over powerful Long Beach Poly and finished with a 24-6 triumph over Dominguez. For their efforts, Lonnie Jones and Reynold Cross were chosen top back and lineman respectively.

Below, Paramount action found the going tough as Pirate rusher was stopped for short gain.

This year's outstanding "B" halfback, Lonnie Jones, cut up-field against Lynwood on kick-off return. It was all in vain as Lynwood won 20-7.

Compton's Varsity Cross Country runners were—from left to right: R. Watson, L. Mobley, L. Frazier, A. Robinson, L. Hudson, L. Haley, A. Rivera, D. Landry.

VARSITY "LUNGBUSTERS" SET PACE

Willie Williams, new head coach, led the Varsity Cross Country team to a record of three wins and two losses. They placed third in the Coast League. Coach Williams pinpointed Armando Rivera, Reginald Watson and Lance Frazier as the most outstanding runners. Although Compton's Varsity squad did not win every time, the Harriers got the first part of the test down by defeating Centennial; by doing this, the Harriers proved their strength in Coast League action.

New Head Coach Willie Williams is seen here timing some runners for a Coast League encounter with the Warren Bears.

Armando Rivera, this year's top runner, was showing his winning stride against Lynwood High School.

Running against time is every Cross Country runner's challenge. Andrew Robinson, this year's fifth ranked runner, showed good running form.

Reginald Watson was seen as he took third place at the Lynwood meet. Reggie was voted the Most Inspirational player of '66.

The Junior Varsity Cross Country Team of the Big "C" campus wound up at the end of the season in second place in Coast League play. Pacing the Junior Varsity squad were Edward Cesena, Jonathan Collins and James Scruggs. Compton High's Junior Varsity Harriers had a Coast League record of 4-1. These boys on the Junior Varsity team started out their life of high school sports on Coach Willie Williams' squad and earned Big "C" letters for their Letterman's Jackets.

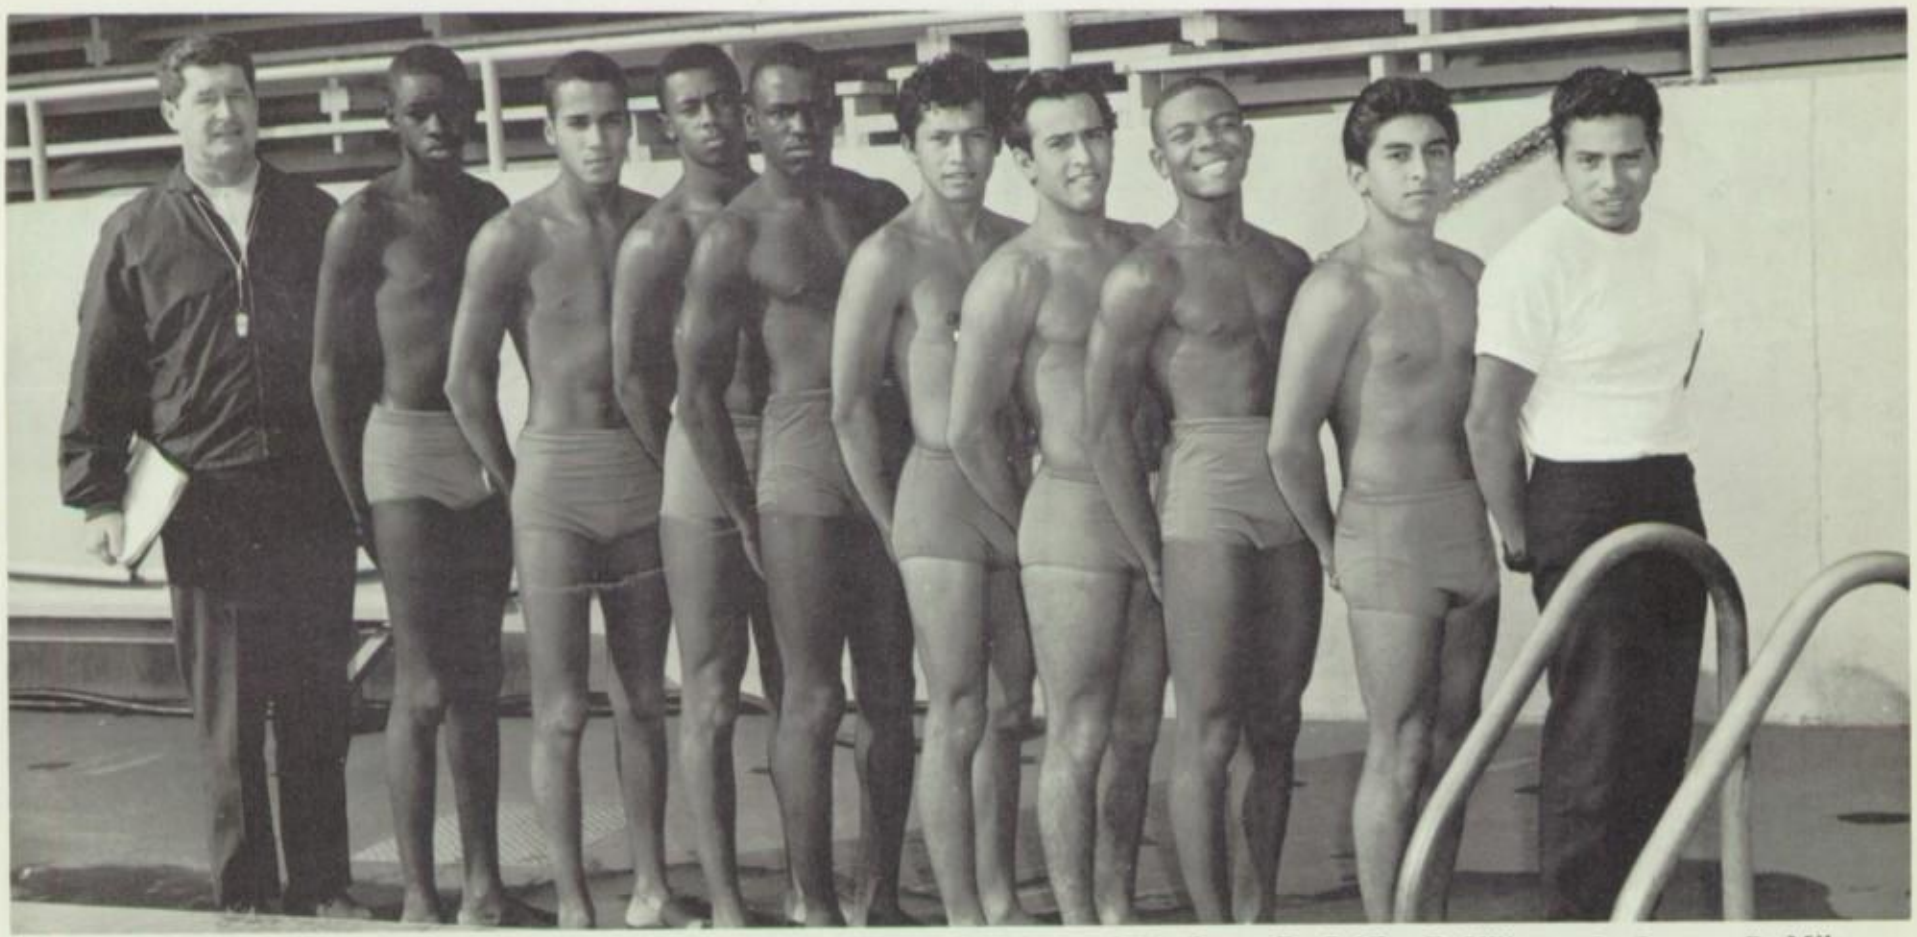
Bob Griffin and Ramon Diaz were seen in action against Bell Gardens High. Seconds later, Bob Griffin scored on a backhand shot in the corner.

Gary Trammel shot a hard one at Fermen Lasuen High's goal in a game won by Compton, 7-5.



Varsity Water Polo Team, left to right: Coach Doyle, E. Johnson, G. Trammel, R. Swan, R. Griffin, F. Villegas, L. Orozco, R. Milton, R. Diaz, R. Doinicio.

WATER POLO TEAM HAS GREATEST SEASON

Compton's Water Polo team, under the direction of Coach Charles Doyle, enjoyed an outstanding season this year. The Varsity won 8 games out of 10 while the J.V.'s won 7 out of 10. It was a season of hard work and great dedication. Coach Doyle's constant drilling drove them relentlessly to their objective. Robert Griffin totaled 54 goals and Frank Villegas scored 14; Ramon Diaz threw in 9 goals, for his total, from the guard position. Some of the outstanding triumphs during the season were a victory over Bell Gardens by a 11 to 6 score, wins over Santa Monica (8-5) and Artesia (17-2). The Water polo team scored other impressive victories over Victor Valley, Bishop Montgomery, Aviation and Warren to highlight a fine year.

Coach Doyle was caught giving last minute advice to Gary Trammel and Robert Griffin before game time with Artesia High.

COMPTON'S WATER BABES ENJOYED SEASON OF ACCOMPLISHMENT

Coach Doyle's Water Babes deserve recognition for winning eight straight games this season. "Every year the Water Polo team is usually made up of green, inexperienced players who gained the earnest desire to develop their potential in drills and practice," stated Coach Doyle.

This year's Varsity Water Polo team was led by co-captains Robert Griffin (center forward) and Frank Villegas (left forward); along with Eric Johnson, right forward; Joe Orozco, guard; Gary Trammel, guard; and Ramon Diaz, guard; to make up the '65 team.

Compton High Varsity scored another goal in a thriller against St. Monica. The score was 6-5 in Compton's favor.

Coach Doyle was demonstrating guard position against Victor Valley forwards at halftime in the game with Victor Valley High School.

Bob Griffin is shown throwing the ball with tremendous force into the left corner against an Artesia High opponent.

Coach Durden's varsity wrestlers advanced to be one of the best teams in the league. The three-year old wrestling team just missed a Coast League title by losing to Dominguez. The grapplers defeated Bell Gardens and Paramount by considerable margins to finish first in Coast League Finals.

Compton High's Junior Varsity wrestling team finished the Coast League race in first place. They had a perfect season record of 9-0. This year's team were led by eight undefeated wrestlers, Jarod Bowers, Roger Thomas, Criss Breckenridge, Kenneth Hunter, Robert Andreuis, and Curtis Dodson.

Compton's varsity wrestling team outclassed a number of teams in the season to win the Coast League Finals. The wrestlers had placed 12 men in the finals to go in C.I.F. competition. The matmen who took first in League were Carmen Poole, Juan Mendez, Bobby Black, and Virgilio Graham. Second in League were Willie Brooks, Glen Kubota, Ed Garrett, and Louis Orozco. Ken Hunter placed third with Willie Bailey, and Ira Gray, fourth.

1965-66 'BABES' WENT FAR

Bringing the Coast League Championship back to Compton High once again, this year's Varsity hoopsters were very sure and determined. Led by Coach Armstrong and his two new assistant coaches, Mr. Newman and Mr. Newcomer, the Tarbabes started the year off with a good pre-season record of 12-4, and then went through the Coast League slate with a near perfect 9-1 record. The team entered C.I.F. and defeated Mira Costa High and California High before losing in the C.I.F. quarter-finals to second-ceded Torrance High and ended with an over-all season record of 21-6.

OUTSTANDING INDIVIDUAL PLAYERS

This year's team included many outstanding individual players, but together they combined to make one strong team. The starting line-up consisted of three seniors and two sophomores.

Starting at one forward was 2nd All-Coast League Team senior, Mike Reid, who played quick and hard ball all season. At the other forward spot sophomore Tommy Campbell was under the boards just about every time fighting for those important rebounds or shots. At center was sophomore Mike Hopwood who proved to be a valuable defensive man. At one of the guards was 1st All-Coast League Team senior, James Dunn, who ripped the nets all season long. Opposite James was sparkling senior, Bobby Watkins, who was named to the 1st All-Coast League five.

"GIVE THE PEOPLE LIGHT
AND THEY WILL FIND THEIR WAY."

Editor's Farewell

As I blow out my candle denoting the end of my editorship, I extend my heartfelt appreciation and thanks to all those who made this yearbook edition possible. This includes the administrators, faculty, and of course, my hard-working staff. Special thanks goes to Mrs. Delight Hoffmann, advisor, for her patience and devotion; Bob, Anibal, Nick, for their excellent photography work; and Mr. Wilbur Lowe, representative from American Publishing Company, for his professional advice.

Now the solemn time has come for me to say farewell. I leave, hoping each and every student will do as I plan—take the following quotation to heart, which is inscribed on the southeast side of the Administration Building and let it lead you to *discovery:* "Give the people light and they will find their way."
